

The Ice Gladiators and X-Trial riders are back, download FIM Apps now!

The FIM is delighted to announce that the latest in its range of dedicated sports apps, the 2017 FIM ISG and FIM X-Trial Apps are now available!

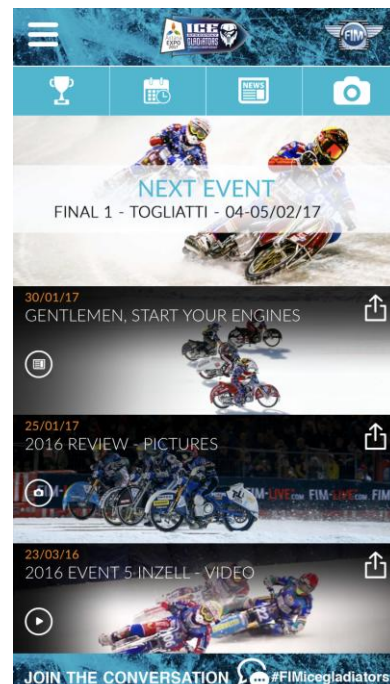

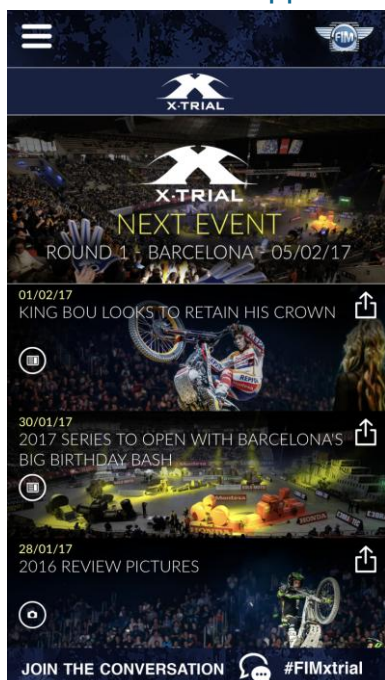

Don't miss out on the fast and furious action of the Astana Expo FIM Ice Speedway Gladiators World Championships and the FIM X-Trial World Championship.

For fans, the media, riders and teams, the ISG app delivers Live results with heat-by-heat results displayed in a new real time scrolling format and with section-by-section scores for both qualification and the final in the FIM X-Trial World Championship.

As well as live information, users can access a full calendar of events with venue details for each event including an interactive map for each competition. The Riders index provides access to profiles of all the permanent entrants for both the individual and team championships.

The FIM apps also offer news, photo gallery, video and partners sections to bring you all the latest words, photos and moving images from this amazing disciplines as the Championships unfold throughout the year.

Don't miss any of the action - Download the FREE 2017 FIM ISG and FIM X-TRIAL Apps today!

ABOUT THE FIM (www.fim-live.com)

The FIM (Federation Internationale de Motocyclisme) founded in 1904, is the governing body for motorcycle sport and the global advocate for motorcycling. The FIM is an independent association formed by 113 National Federations throughout the world. It is recognised as the sole competent authority in motorcycle sport by the International Olympic Committee (IOC).

Among its 50 FIM World Championships the main events are MotoGP, Superbike, Endurance, Motocross, Supercross, Trial, Enduro, Cross-Country Rallies and Speedway. Furthermore, the FIM is also active and involved in the following areas: public affairs, road safety, touring and protection of the environment. The FIM was the first international sports federation to impose an Environmental Code in 1994.
